

**Rocky Point**  
UNION FREE SCHOOL DISTRICT

# 2017-2018 STEM Celebration

***Tuesday, May 29, 2018***

***Rocky Point High School***

***6:00pm-8:00pm***

*Please join us for a fun-filled evening of Science, Technology, Engineering, and Mathematics (STEM) activities for our elementary students.*

*Students may participate in a variety of STEM challenges:*

- *Build the tallest tower!*
- *Construct the strongest bridge!*
- *Create a "lunar lander."*

*Attendees will learn about the Middle School and High School robotics programs and see Rocky Point robots in action.*

**STUDENTS MUST BE ACCOMPANIED BY A PARENT/GUARDIAN**
