

Emma's Holiday Hugs Toy Drive

Sponsored by The North Shore Youth Council and
The Middle School Community Service Club

We are collecting stuffed animals and books for the children at St. Charles Hospital who will not be able to be home over the holidays.

Please help make their wishes come true by donating new unwrapped items such as stuffed animals (with tags attached), Children's books, toys, coloring books and crayons for them to play with. A collection box will be located in the main office from November 19th to December 19th.

By donating these items you are making a child in need smile over their holiday! Thank you!
