August 2022

To the Parents/Guardians of Ninth Grade Students:  
**RE: Ninth Grade Orientation**

We would like to welcome your child as they begin their high school career here at Rocky Point High School. We are excited and eager to support and work with your child for the next few years. We look forward to meeting the Class of 2026 and hope the students are returning to school with excitement and enthusiasm as they begin their high school experience.

We have been anticipating and planning for your child's transition to high school and will begin with our **9th Grade Orientation held on Wednesday, August 24th from 8:30 a.m. to 10:30 a.m.**

The program will begin with a breakfast allowing students the opportunity to socialize and reconnect with their classmates after the summer break. Please drop your child at the front of the high school at **8:30 a.m.** The orientation will conclude at 10:30 a.m. therefore, please be sure your child has a ride home at that time. This event is for our **ninth grade students only**. The purpose of ninth grade orientation is to help our incoming ninth grade class acclimate to their new school culture and give them an opportunity to meet administration, counselors, tour the building, and ask questions. We aim to continue to foster positive growth in our students and help them develop positive images in how they see themselves at Rocky Point High School.

**To meet this mission, 9th Grade Orientation for 2022 will include the following goals:**

- Meet and Greet of High School Administration & Counselors
- Becoming Familiar with the Building and Facilities
- Introduction/Overview Schedule and Graduation Requirements
- Clubs/Extracurricular Activities
- School Culture/Code of Conduct

Once our 9th graders have attended orientation, we hope they will continue their growth in being Rocky Point students who value honesty, integrity, and efficacy, have a love of learning, become real thinkers and are ready to make their mark as freshmen at Rocky Point High School. Ninth Grade Orientation is a very important part of every student's development and transition into the high school environment and we hope every student will attend!

Best regards,
