

Rocky Point Friends of Music

Without music, life would be a mistake.
Friedrich Nietzsche

The Rocky Point Friends of Music is a volunteer organization comprised of parents, grandparents, members of the community, and educators dedicated to promoting and supporting the Rocky Point School District's Music Department.

Through our fundraising and your membership and support, we are able to:

- Purchase musical instruments and instructional materials
- Offer scholarships to students who are unable to afford to rent instruments
- Award music scholarships to graduating high school seniors
- Offer additional funds for the high school musical productions
- Purchase concert props and decorations
- Provide for in-school assembly programs
- Enhance the learning experience of all students by equipping our teachers with the tools they need
