Refreshments for All and Medals to our Top Finishers
A special token for our Fun Run Participants

Andrew McMorris was a kind, and passionate individual with insurmountable potential for his future. In September of 2018, Andrew and Members of Boy Scout Troop 161 were struck by a drunk driver while hiking the Greenbelt Trail. Several scouts were severely injured, and 12-year-old Andrew McMorris passed away. The lives of his family, friends, community, and fellow scouts were forever changed by his loss. In the wake of this immeasurable tragedy, we choose to step forward and celebrate Andrew's life. In honor of his 18th birthday, and his love of aviation and scouting, participants will have the unique opportunity to walk and run on the runway in Andrew's memory. Runners will love this fast and straight racecourse.
